**Head of Department
School Of Computer Science**

Respected Sir/Madam,

With due respect, I am **Ravi Kumar**, having roll number **2021mca14**. I am writing this application to request a retest for the lab internal test having paper code: **PCAPC20009** which I missed on **18/08/2022** for the subject **DBMS** conducted by **Dr. Gururaj Mukarambi**.

The major reason for not appearing for the test was **not well, suffering from fever due to vaccination**. This test marks are really important for my academics.

I request you to please consider my plea and let me write the test for the same. Please consider my request as a genuine appeal.

Your obediently

Name: RAVI KUMAR

ROLL: 2021MCA14
